THE ULTIMATE SHOWDOWN OF TRIVIA, GADGETS, AND WITTY BANTER  
NOW DEFINING POP CULTURE IN VANCOUVER, BC!

## What is Geeks versus Nerds?

---

[West Coast Geeks versus Nerds](#) has taken up the mantle of celebrating our local geek, gamer, and comic book nerd subcultures in beautiful Vancouver, British Columbia. Each month, we pit fan-favourite pop culture icons against each other in a battle royale of wit, hilarity, and costumed fun. Previous topics include: **Batman vs Boba Fett**, **Gandalf vs Yoda**, and **Hermione vs Willow**. (Visit our [Debates Page](#) for a complete list).

With the support of our [benevolent overlords](#) in *Halifax, NS* and our **awesome sponsors** from around the Lower Mainland, we've brought this exciting cultural phenomenon to Canada's West Coast in style. It takes only \$10 to [attend the show](#), which runs on the first **Tuesday** of the month from **7 - 9 PM** at the [Vancouver FanClub](#). We also offer **season passes** to our dedicated fans at the cost of **\$50**. For eight shows, that's the equivalent of **three FREE shows!** (*Season passes are available at our events*).

THE ULTIMATE SHOWDOWN OF TRIVIA, GADGETS, AND WITTY BANTER  
NOW DEFINING POP CULTURE IN VANCOUVER, BC!

Established in the summer of 2012, **West Coast Geeks versus Nerds** has grown a cult following of dedicated fans throughout our two Seasons of unique comedy debates. Each show consists of two debates. Each debate consists of two teams (Team Geek and Team Nerd) - both arguing for their candidate character's right to victory.

To see a detailed breakdown of all of our previous **debaters** (including pics, bios, and stats) head over to our [Meet the Geeks and Nerds](#) page and get a look at the fine hall of heroes you could soon be seeing on stage! For more information about the folks working tirelessly "behind the curtain" - see our [Meet the Crew Crew](#) page!

"Once a month, the good people at West Coast Geeks versus Nerds put on perhaps one of the greatest comedy debates you will experience... there is finally a group willing to explore these issues in a public forum with all the maturity of an internet flame war."

— Andy Speidel, *Living Myth Media* ([source](#))

"[West Coast Geeks versus Nerds] has become quite popular, with a tight-knit, loyal community of regulars coming out to watch, dress-up, and debate about all kinds of geeky trivia... People in outlandish costumes walk around, spouting idiosyncratic phrases, swinging fake swords... and engaging each other in a sort of communal expression that is both invigorating and terrifying."

— Garin Fahlman, *Vancouver Weekly* ([source](#))
